

REO ASSET DISPOSITION EXPERTS

Riverway Properties specializes in the management, development and disposition of residential communities in Houston, Texas.

Riverway's local market knowledge and in-house capabilities have enabled it to gain widespread respect and credibility among national and private lenders, builders and regulatory agencies.

Currently, Riverway manages REO assets for the nation's leading lenders such as Citibank, Capital One Bank, First Horizon Bank, Bank of Houston, Metro Bank, Trustmark National Bank, Texas Capital Bank and IBC Bank.

Riverway's team are experts in real time asset valuation and it's unique skill set allows it to evaluate deals from an equity buying profile. With offices in Houston, Texas, Riverway is capable of managing communities throughout the Houston Metropolitan area including surrounding cities, municipalities and counties.

Our vision is simple: to act as the SINGLE POINT OF CONTACT for lenders in the management and sale of real estate. Whether we manage or sell lender assets, our ultimate goal is always the same: to maximize returns in the shortest time possible.
